Scholars struggle to consistently define and distinguish the terms, but educators agree on the need to transform both “climate” and “culture” to improve academic outcomes.

This event features practical, real-world initiatives that are successfully transforming the quality, character and personality of schools. It showcases programs, assessments and tools proven to improve school culture and climate. Evidence-based and research-based interventions will be introduced, while the forum also highlights high-potential efforts currently being implemented in the laboratory of everyday school life.

Featured Topics Include:

- » Insights from Exemplary Research-Based School Climate & Culture Programs K-12
- » Keys to Working with Students of Different Genders, Cultures and Achievement Levels
- » Best Practices in School Discipline that Promote a Positive School Climate
- » Approaches for Bolstering a Safer School Environment
- » School Improvement & School Turnaround Strategies that have been Proven to Work
- » Tools for Measuring and Assessing School Climate
- » Specific Strategies for Creating a Respectful, Achievement-Oriented Culture

No More Excuses Curriculum

Recent education research has focused much more on the learning, social outcomes and schooling experiences of boys. Boys are more likely to be held back, suspended or expelled – or to drop out of school altogether. This conference helps educators understand and support the unique neurochemistry of the male brain, increase engagement, improve academic outcomes and encourage a post-secondary educational mindset.

Featured Topics Include:

- » Research-Based Insights into How Boys' Brains Function Differently than their Female Counterparts
- » Differences in how Girls and Boys Focus
- » Implement Proven Strategies for Reaching and Teaching Boys of Different Ethnicities
- » Classroom Strategies to Support Boys' Preferences and Developmental Needs
- » Recognize the Impact of Hormone Levels on Male Behavior
- » Increase Male Engagement to Decrease Dropout Rates and Improve Academic Achievement
